

## AC Interiors

Contributed by AC Interiors  
Friday, 08 February 2008

At AC Interior we provide a full installation service for kitchens & bathrooms and general plumbing services. We specialise in bathroom & kitchen fitting, built-in furniture, carpentry & joinery, general plumbing, laminate and solid wood flooring installation and tiling services.

Established over 5 years ago, and with over 20 years experience in the building trades, we are accomplished in every aspect of kitchen and bathroom fitting. We have built long standing relationships with specialist services making us flexible to undertake a wide range of jobs.
