Our team are dedicated to assisting you, our customers, in looking and feeling good by keeping up-to-date with the latest styles and trends.

In conjunction with offering a price range that is affordable to all, we compliment this with hair care products from one of the top manufacturers to help you maintain that look.

As a Unisex salon, we welcome male and female customers alike.

As part of our new look and to compliment our existing services, we now offer nail creation in our busy salon, thus adding to the overall "feel good" factor when you walk out the door.

We are led to believe that the premises "The Head Salon" occupies has been a hair dressing salon for over 70 years. Over the years the name may have changed but the concept remains the same, we are here to stay !
