Thursday, 21 January 2010

There's no need to wait until April for Mother's Day as every Monday is now 'Mum's Day' at the Grand Hotel.

An ideal excuse for children to give their mother a New Year present after the hectic Christmas schedule, or for mums with little ones to treat themselves to some 'me time', the five-star hotel has launched a Mum's Monday promotion.

Every Monday, from 9.30am to 11.30pm and 12.30pm to 2.30pm, mums can take their pick from a choice of treatments in the hotel spa and receive a 10% discount. They include an aromatherapy massage, facial, manicure, pedicure, tanning treatment or wash and blow dry in the hair salon. Whilst they are being pampered their youngsters will be entertained in the hotel's Ofsted approved crèche.

Before and after treatments mums can make their Mondays extra special by having free use of the other spa facilities, which include an indoor pool, spa bath and steam room.

For reservations or more information on the Mum's Monday treatments call 01323 412345.
