

Mellow Yellow from Jacques Vert

Contributed by Jacques Vert
Tuesday, 02 February 2010

Step into spring with Jacques Vert's early nod to summer.

Daffodil yellow is teamed with Monaco blue in an inspired collection of occasion wear perfect for any wedding or elegant occasion and matching accessories are enhanced by a touch of gold. Trims and detailing are subtle yet eye catching, such as the devoré mimosa print of a matching skirt and top ensemble and the yellow trim on a fine knit frill-edged cardigan.
